

JOB OPENING:

Portable Toilet Service Technician

Location: Brattleboro, VT

8-15 hrs/wk to start with opportunities for more

ABOUT RICH EARTH

The Rich Earth Institute researches and demonstrates alternative waste management solutions. By reclaiming human urine as a safe, sustainable fertilizer, we help to prevent watershed pollution and conserves clean water. **One of our outreach tools and sources of urine is our fleet of compost portable toilets.**

POSITION OVERVIEW

Rich Earth is looking for a motivated individual to join our compost portable toilet team as a Service Technician. In this hands-on role, you'll be responsible for the delivery, servicing, and maintenance of our eco-friendly portable toilets deployed regionally to festivals, events, and construction sites. We are currently seeking a part time technician, but with the rate that we're growing, this position has a rapid path toward a managerial role for the right candidate. If you're passionate about sustainability, take pride in doing quality work, and want to be part of a team at the forefront of ecological sanitation, we'd love to hear from you.

RESPONSIBILITIES AND DUTIES:

Dropping off, picking up, and servicing a fleet of compost portable toilets. Service Technicians are responsible for operating pumping equipment, conducting cleaning tasks, and following safety protocols for managing human waste.

QUALIFICATIONS

- Truck & trailer driving skills
- Mechanical aptitude
- Competence with standard hand and power tools
- Attention to detail
- Team player – Collaborative and solution-based
- Comfort in interacting with the general public
- Able to take initiative and take direction
- Ability to lift 50 pounds

SALARY

Starting wage is \$20-\$25 an hour depending on experience with room for advancement. Future opportunities include portable toilet administration and management positions.

TO APPLY:

Send Resume and cover letter to Jamina@richearthinstitute.org

Rich Earth Institute is an Equal Opportunity Employer. At Rich Earth we recognize that diversity brings different perspectives and skills, making stronger teams that are more creative and rewarding. As such, we encourage people from all backgrounds to apply.
